ProLite E2472HDD-1

The first in iiyama's stunning range of LED-backlit monitors, the E2472HDD is a full high definition 24" monitor that features all the benefits this technology affords. Slender and stylish its maximum width is 3cm, it has a narrow 1.7cm bezel, touch sensitive controls and is finished in the latest glossy-black. The high specifications on the monitor include the 5,000,000:1 ACR, fast 2ms response for excellent sharpness in high definition video and double input connectivity. With Eco-mode activated power consumption is down to typically 13W and less than 1W in standby.
